3/30/07KH

CONCERT Friday May 4

ELLIS PAUL

"I feel like I'm more a part of a community now than just a songwriter singing about my own struggles and the struggles of the friends I see around me. ELLIS PAUL - Friday, May 4 - \$18 M, \$20 NM

Ellis Paul is one of the leading voices in America's singer-songwriter/ folk community. For years, he has been among the folk circuit's most popular and dependable headliners, with a mailing list of over 20,000 fiercely loyal fans. Among those fans is Bill Morrissey, who early in Ellis Paul's career found him unique and especially talented at connecting with audiences. Paul has released 11 CDs, a documentary/concert DVD called "3,000 Miles," and wrote "Notes from the Road," a critically acclaimed book of poems and stories. In recent years he has also departed from his solo career to tour and record with longtime friend Vance Gilbert, and to indulge his deep respect for American folk icon Woody Guthrie, appearing with the all-star Guthrie tribute tour, "Ribbon of Highway, Endless Skyway." Speaking of his career today Paul says, "I feel like I'm more a part of a community now than just a songwriter singing about my own struggles and the struggles of the friends I see around me. Maybe that's the difference between being a singer-songwriter and being a folk musician, that transition into more of a community sense of writing."

ALL OPEN MIKE COFFEEHOUSE, Friday May 18 \$5 M, \$6 NM

This is our final event of the season, and your chance to be the star! Sing, play instrumentals, recite poetry, tell a short story. There will be sixteen 8 minute Open Mike slots, enough time to do two songs. All performance types welcome, not just folk. The best Open Mike is full of variety, so come on down and share your special performance with our warm audience. Sign up when the doors open at 7:30.
